# Patrick Knowles Designs creating the interiors for Mine Games

Thursday, 12 July 2007

Patrick Knowles Designs (PKD) is designing the interiors for the 164-foot motoryacht [Mine Games](#).

"[Mine Games](#) will debut with a highly finished custom traditional interior, featuring raised paneling in American Cherry, Maple Burl and Figured Bubinga with a classic and understated hand polished finish," said Patrick Knowles, president of PKD.

Some of her many unique details include hand-forged black iron railings with gold accents, intricate marble medallions at the aft salon entry and under the dining salon table, and many other stunning stone elements throughout her interior. There will also be hand-painted scenes on the overheads of the main salon, dining salon and sky lounge. She will feature an old world painting on canvas of an Old Italian countryside villa, which will cover the entire outboard bulkhead of the main deck dayhead.

A very unique and stunning table on the sky lounge aft deck will have a powered hi-low round top with expanding leaves that are stored under the tabletop when in the retracted position.

[Mine Games](#) exterior decks will be appointed in all-weather fabrics in shades of green and gold, and the furniture will range from teak to woven materials with a deep Java chocolate finish. The exterior decks will feature three dining areas, a spa pool, a large swim platform at the stern, and ample sunbathing areas.

This sleek tri-deck yacht with its distinctive lines will accommodate an owner's party of 11 in five staterooms and a crew of ten in five cabins. A split-level master stateroom positioned forward on the main deck offers a stateroom with a 180-degree panoramic view from the bed and, on the lower level, a lounge and his-and-hers bathrooms. Public areas will include a combined bar, saloon and dining saloon on the main deck and a more relaxed saloon, also with a bar, on the pilothouse deck

Patrick Knowles Designs is currently designing four of the eighteen superyachts presently under construction at Trinity Yachts, as well as a number of other projects. Delivery of [Mine Games](#) is expected later this year.

### About Patrick Knowles Designs

Patrick Knowles Designs ([www.patrickknowlesdesigns.com](http://www.patrickknowlesdesigns.com)) is an award-winning interior design firm specializing in custom yacht and custom aircraft interiors. Founded in 1998 by Patrick Knowles, the firm has earned a global reputation for excellence among leading custom yacht builders as well as private aircraft manufacturers.

Industry recognition of Patrick Knowles' yacht interior design work includes the prestigious ShowBoats International Award for Best Design as well as several award nominations by both the Superyacht Society and Showboats International. The firm's range of custom aircraft interiors includes an extraordinary high-profile project for one of the most unusual private aircraft now in operation. Based in Fort Lauderdale, Florida, Patrick Knowles Designs works with a select group of discerning clients around the world.
