## *Super Luxury Charter*

*The price for a charter is the same whether you cruise the Caribbean during the northern hemisphere winter, or the Mediterranean in the summer. For a mere \$220,000, this beauty could host your party for one full week. And, oh yes, that amount excludes expenses, such as filling up the 16,000-gallon fuel tank, or feeding any of the 12 guests or 9 additional crew members plus captain.*

# M

INE GAMES, a 49.9m, 8.5m beam, aluminium tri-deck motor yacht is just one of 18 super yachts

in the process of being rolled out by Trinity Yacht Builders of Gulfport, Mississippi. Trinity specializes in custom luxury super yachts of aluminium or steel up to 122 meters in length. MINE GAMES' interior was designed by Patrick Knowles, who is responsible for three more of the super yachts presently under construction at Trinity.

# SPLASH

MINE GAMES debuts with an outstanding custom-finished traditional interior, featuring raised panelling in American Cherry, Maple Burl and Figured Bubinga with classic and understated hand-polished touches.

Some of the other fine details are hand-forged black iron railings with gold accents, intricate marble medallions at the aft salon entry and under the dining table, along with many other attractive stone elements throughout her interior. There are also expansive, hand-painted scenes overhead in the main salon, dining salon and sky lounge. An old world painting on canvas featuring a typical Italian countryside villa covers the entire outboard bulkhead of the main deck dayhead.

There are, of course, many innovative features on this yacht. The table in the sky lounge aft deck, for example, has a powered hi-low round design with expanding leaves that are stored under the table-top when in the retracted position, a very unique and stunning piece of furniture.

The exterior decks are appointed in all-weather fabrics in shades of green and gold, and the decor ranges from teak to woven materials with a deep Java chocolate colour.

MINE GAMES has a split-level master stateroom positioned forward on the main deck. The stateroom has a 180-degree panorama view from the bed and, on the lower level, a lounge and his-and-hers bathrooms.

Public areas include a combined bar, saloon and dining saloon on the main deck and a more relaxed saloon, also with a bar, on the pilothouse deck. The exterior decks feature three dining areas, a spa pool, large swim platform at the stern, and ample sunbathing areas.

The yacht has a 4,000lb davit with a 14ft boom and a 150hp bow thruster. MINE GAMES also carries a variety of water toys such as the 6.7m tender, two jet skis and a small submarine! 🌊
