

TRINITY'S FINEST

Trinity Yachts' newest is a 161-foot yacht named *Destination FOXHARB'R Too*. She is a tri-deck with a beam of 28 feet and an aluminum semi-displacement hull and aluminum superstructure. Designed and built by Trinity Yachts, L.L.C., she has a cozy and smart Patrick Knowles-designed interior, in which her style is influenced by a European Spa Resort, featuring tailored sophisticated fabrics, stonework showcasing Beaumaniere Limestone, River Rock Pebbles and Walnut Travertine as well as satin nickel accents and a rich millwork palate of Redwood Burl, Lacewood, Macassa ebony and Honduran mahogany. Hand-carved glass panels inset into passage doors throughout add a sense of art and dimension to her interior. A stunning mural on the forward bulkhead of the dining room provides a dramatic backdrop for the serene décor. The split-level owner's suite offers magnificent 180-degree views and the yacht accommodates an owner's party of 12 in six staterooms and a crew of 12 in six cabins.
