

LuxuryIndex.com Boat of the Week: 2010 "Euphoria" 168' Trinity Yacht

Trinity Yachts, recognized as a leader throughout the world in luxurious yachts and megayachts, holds true to form with the 2010 "Euphoria" 168' Motor Yacht. This tri-deck yacht provides futuristic design matching state-of-the-art performance in its contemporary interior style and sleek yet majestic hull exterior presentation. Equipped with 4500 HP from two Caterpillar diesel engines, the "Euphoria" can travel 3000 nautical miles at a normal cruising speed of 10 knots and maximum speed of 19 knots. Trinity enlisted Nuhouse Design Associates in the aluminum hull design creating a truly beautiful yacht to behold.

Entering the crisp bold interior from the exterior teak decking allows an easy transition in style. With 5 bedrooms and baths, the master's suite is most impressive with panoramic views from the main deck with the other 4 guest suites on the lower deck centrally. Hot tubs accent both the flybridge and skylounge, as does exquisitely designed dining areas with majestic ocean views. From the sundeck to its fully equipped galley with premier appliances, the "Euphoria" allows luxury entertaining at its finest.

Additional amenities include a Kaleidoscope entertainment system with several Ronco and Sharp multisystem TV's including a 50" television for group entertainment. A 21' diesel sport jet tender, premium satellite communications and telephonic systems are also present. Trinity allows contemporary yacht living at its best by incorporating the highest quality design and style in the "Euphoria." There's no question Trinity knows luxury and superb yachting lifestyles.

Secure elegant luxury yacht living yourself and purchase the 2010 "Euphoria" 168' Yacht today. Simply visit [Luxury Index](#), an online marketplace where millions of affluent internet users can buy, rent, charter, or sell their luxury goods and services.

11.12.08 The Culture of Dubai

By Mary Mullaaj
Although at times it does seem apart of the rest of the world, Dubai is still susceptible to the ebb and flow of world markets, and the city is feeling the effects of the financial crisis. The development boom has slowed, projects have been put on hold, and the government is even considering [...]
