

## Wally Power

The Wally Power is a 40-foot speedboat with a 300-hp outboard motor. She is a tri-deck yacht with a beam of 8.60 m and an aluminium semi-displacement hull and aluminium superstructure. Designed and built by Trinity Yachts she features a refreshingly cool and smart Patrick Knowles' designed interior, in which her style is influenced by a European Spa Resort, featuring tailored sophisticated fabrics, stonework showcasing Beaumaniere Limestone, River Rock Pebbles and Walnut Travertine, satin nickel accents and a rich millwork palate of Redwood Burl, Lacewood, Macassa ebony and Honduran mahogany. Hand carved glass panels inset into passage doors throughout, add a sense of art and dimension to her interior. The split-level owner's suite offers magnificent 180-degree views. The superyacht accommodates an owner's party of twelve in six staterooms and a crew of twelve in six cabins.
